**TE PANI** (J. Holder) - raced keenly in the early and middle stages of the event. Hung out over the concluding 600m of the event. Rider explained that his instructions were to obtain a position with cover; however, the filly jumped away better than he had anticipated and for this reason he had allowed it to stride forward and obtain the lead. He added that the filly over-raced in the middle stages and hung out over the concluding 600m. Co-trainer, Mr L. Macdonald, confirmed the instructions. A post-race veterinary examination revealed no visible abnormalities.

**HARLEEN** (T. Voorham) - raced keenly in the early and middle stages of the event. Rider reported that she had intended to take a position back with cover; however, the filly commenced to race fiercely early and improved around the field and sat outside the leader of its own accord.
